Whisper Desk High Indoor

Listening desk for the Whisper

Ref. WD-HI · Whisper range

Rev. 1.0 · November 2026

The Whisper Desk High Indoor is the desk of the Whisper range, high version, for standing listening. Clad in bent wood with a walnut finish, it is designed for indoor spaces. Its sloped top takes a flush-mounted Whisper; it comes with its universal steel base and can also be fixed to the floor.

KEY FEATURES

- 15° sloped top, flush Whisper
- Bent wood, walnut finish, matt varnish
- Universal steel base supplied
- Floor fixing possible (fixings not supplied)
- Battery compartment in the leg, lockable hatch

Applications: museums and cultural venues, leisure parks, festivals and events, tourist sites, urban furniture.
